REFERENCES & EXPERIENCE AS A PRIME CONTRACTOR

1. Provide a list of at least 5 references who have been customers for at least 12 months, where the bidder provides inmate phone services in the role of PRIME CONTRACTOR. Accounts where the bidder is involved as a subcontractor do not adequately demonstrate the bidder's ability to provide all products, services, and account management required of this contract as the fully accountable, single point of contact, and therefore these types of references are NOT ACCEPTABLE. For each reference, provide contact information and relevant project information (site size, number of inmate telephones, ADP, contract start date, products/services, etc.).
2. Proposed biometric technology: You MUST include a minimum of two references (of the five required) that have been using this technology as an integrated part of the proposed inmate phone system for at least 6 months. Identify which references utilize the proposed biometric features.
